CONSENT FOR OUTINGS

At Haylands pre school, in conjunction with our learning, we like to offer all children the opportunity to explore both inside pre school and outside of the premises. We also have outside visitors come in (mini professor, police, fire etc).

At times we will leave the pre school premises to take part in a variety of trips. These will include walks around the local area where children can learn about occupations, where we live and people who help us. We will also take part in outings which involve using public transport and coaches.

All of our walks, bus trips and days out on coaches are risk assessed. We will ensure that children are well supervised with sufficient staff, wear safety jackets and coaches used will be from a reputable company,(you will be made aware if your child is going on a coach or bus).

Also pictures of your children are taken, which are added to tapestry, but at times we like to share them with the service provider (for example the Police social media page, Whitehorse training for forest school).

As these trips involve leaving the premises we require written, signed consent that you are happy for your child to join us and for their picture to be used.

Can you please sign below stating whether or not you give consent for your child to leave the pre school premises and for their photo to be used for social media.

I give / do not give consent for my child to take part in learning opportunities involving leaving the school premises including using public transport or coaches.

I give / do not give consent for my child' photo to be used for social media purposes
